a. The Executive Board has trying to contact the NAMES Project Foundation in Detroit in order to display some panels of the AIDS Quilt in lower Gillmor Lobby. So far, they have been unsuccessful. An update will be given next week.
   i. Kristi noted that St. Francis has a contact, and we could probably work together to bring in sections of the Quilt.

b. Even though Spring Fest is a long way off, the E-Board would like organizations to start thinking about how they can help the event. Homecoming was awesome because so many organizations participating: they helped to make it a great week. Lea noted that E-Board and CAB members have exams just like anyone else, and by working together, we help to take the pressure off any one group to plan the entire week.

c. Kristi is a great resource for organizations to announce their events. Email Kristi event information, and she can post it on the Events Calendar or send a mass email. You can contact Kristi at KCampbell@tiffin.edu.

d. The E-Board has created a display for the Great American Smokeout which is this Thursday. On Thursday between the hours of 8am and 1pm, students, faculty, and staff can turn in any tobacco item that has some product in it and receive a free “Quit the Spit” [gum, suckers, mints, toothpicks, information] pack and a raffle ticket for the chance to win a $50 gift card to best buy. A sign up sheet was passed around for members to help run the table. Collected tobacco products will be discarded, not held in the Student Government Office.

e. Student Government will again be helping out local families for the holidays. Instead of adopting one family this year, several families may be adopted, and an “Angel Tree” will be displayed in the Gillmor. The Angel Tree will feature ornaments for each members of the family with what toys and/or clothing they would like. Students, faculty, and staff can then choose an angel, purchase the items on the tag, and return it to Student Government. William D. Stinchcomb will be heading up the project.
f. Student Government will be serving the midnight breakfast on December 12, at 9:30pm in their pajamas. The theme is “Pajama Party.” Organizations that would like to help serve are encouraged to contact the E-Board. Four more people are needed. The cafeteria will also be hosting a PJ contest, where individuals can display pictures of others or themselves in pajamas. Pictures must be appropriate.

   g. Members are asked to remember that E-Board positions and CAB positions are available next semester. Every E-Board position is available. If you’re interested, please contact Lea or Jody and come spend a day with them in the office. CAB position role over March 1st, so look for application and interviews starting in February.

   h. The policy regarding organizations for the university has gone under some changes. Under the old policy, organizations had to be in existence for one year before the university would recognize them as an organization. Student Government would then consider an organization after it fulfilled the university obligation. The policy, starting Spring Semester, will be that groups can become an organization after one semester. The Student Government policy has not changed and remains one year. If the Body would like to change the policy to match the schools, a formal amendment would have to be made to the Constitution.

a. Since we’re nearing the end of the semester, any seniors who are finished at the end of this semester need to notify the Executive Board, so their completion can be recognized at the next meeting. Those requests should be made to Dr. John Millar in written form.
